Ellen: I hope you are well. Do you have a rough time frame on when you might be able to get back to us with comments on the landscape and irrigation drawings? Mark and Redwood City are both anxious to move forward. Do you need anymore information from us?

Hi Kevin,

I suggest you copy Brad McCrea on this too...he has been aggressive about pushing ahead, and thinks we are dragging our feet.

Best

mark

Brad: I'm sorry, I forgot to copy you on this email today. I know adrienne is not in the office. Is Ellen gone too? We've tried several times to reach her this week. We are anxious to get comments on the landscape and irrigation plans to wrap them up.

Thanks. I'd love to get a timeline when we can expect final comments back on the landscape plans we submitted in August.

Kevin and Silvia,

I am sorry I have not been able to respond sooner to your calls and emails. I have attached a set of comments regarding the signage. Regarding the other drawings, I don't see anything that stands out but to be honest it is hard to read the plans on my small computer screen. So I believe at this point it would be best if you could make the signage plan changes and then send us a full-size, hard copy set for plan review.

Regards,

This is silly. It took her too months to tell us she can't read her computer screen?

Redwood city had no problem reviewing a PDF
